

## Letter to European Shippers

Dear Valued Customer

Thank you for booking with Kuehne+Nagel Ltd.

Due to the UK import changes brought in at the start of 2022 - due to Brexit - it is now necessary for us to complete an import declaration on behalf of your UK buyer before your goods can be shipped to the UK from Europe.

We must therefore obtain authorisation from your UK buyer that the import data we have received from you is complete and correct.

We want to make sure your goods keep moving and you play an important role in helping us to achieve this.

Please therefore forward the attached **Letter** for the attention of your UK buyer and make sure they follow these actions.

**If you fail to do this within 5 working days you will incur costs and the shipment will be returned to you and you will be charged.**

**Please see our Terms and Conditions for more information.**

If you have any questions, please discuss these with your Kuehne+Nagel representative.

Thank you

**Your KN UK Customs Team**
